

INCHRON
THINK REAL-TIME

IS PROUD OF THE **CUSTOMER STORY**

PROJECT: TISAX® Label - AL3

TIME PERIOD: August 2021 - January 2022

TESTIMONIAL:

We have found 360 Digital Transformation to be a reliable and pleasant partner. Their solution-oriented approach - especially to SME-specific issues - was always creative and adapted to our existing infrastructure. The consultants were accessible at all times and provided important feedback on existing documentation.

INCHRON AG

INCHRON
THINK REAL-TIME

360 Digital Transformation offers a clear, straightforward plan. We felt we received competent and goal-oriented advice on the way to our TISAX® Label and look forward to future joint projects.

ABOUT THE CUSTOMER

INCHRON AG is the innovation leader in real-time analysis methodology and tools to efficiently develop error-free real-time and safety-critical ECUs. For over 18 years, we have been helping our customers in the international automotive industry to design cost-effective, robust systems and software architectures.
